**CIRCULAR**

**Sub:** Inclusion of the column of UID number in Birth/ Death and Still birth reporting form and implementation of CRS Software.

As you are aware, Civil Registration System (CRS) Software has been developed for registration of birth and death, generation of certificates, various statistical reports and for linkage with National Population Register (NPR). To make every event registration unique, all the registration units have been coded with unique id as per the office circular number No. 9-1/2009-VS (CRS) dt 5.09.2012. The events so registered would bear a unique registration number in a specified format, for example, for birth "B-YYYY-State code-registration unit code-registration number". The States were instructed to use the CRS software throughout the state vide this office D.O. No. 2/17/2013-VS (CRS) dated 24.02.2014(Copy enclosed).

2. To achieve linkage between the CRS and NPR/Aadhaar, Unique Identification (UID) number being the person's authentication information need to be collected in birth and death reporting forms also. The UID number of the parents in case of birth and still birth, UID number of deceased, parents of the deceased and spouse (if deceased is married) need to be filled in birth and death reporting form. UID number so collected would be used for linking birth and death events occurring in a family to NPR database through the CRS Software. Necessary directions for inclusion of UID number in Birth/ Death and Still birth reporting form as legal requirement for issue of birth and death certificates and linkage with UID /NPR database has been issued to States vide this office letter even no dated 22.08.2014 (Copy enclosed).
3. In view of the above, you are requested to revise the birth, death and still birth reporting forms and include a column of UID number of father and mother (parents) in these forms. In addition to that UID number of the deceased and spouse (if deceased is married) should also be collected in death reporting form. The specimen of the revised reporting forms is also attached for ready reference.

*"Ensure Registration of Every Birth and Death"*

4. You are requested to initiate the action to amend the relevant Rule and ensure the inclusion of aforesaid column in form number 1, 2 and 3. In this connection, necessary permission as required under Section 30(1) of the RBD Act, 1969 is granted to amend the respective forms. Necessary steps in this regard may kindly be taken on priority basis.

5. Further it is also clarified that in order to implement the CRS software effectively in the State/ UT, it is advisable to collect the UID number of the parents and others in the existing reporting form itself till the forms are revised. This office may be apprised about the action taken in the matter.
